1.4 项目背景 Project Overview

巍峨山科学谷，地处莞深科技协同的核心区域，是承载国家级重大科技基础设施、国家实验室及顶尖科研机构的重要战略载体。片区内拥有 8000 余亩 70 余年的广宁红花油茶，是目前全国现存面积最大、历史最悠久的人工种植的广宁红花油茶林，也是东莞市独具特色的珍贵植物资源。片区以优质生态本底为发展优势，对标国际最高标准，深化莞深科技协同，突出科学家友好型环境营造，致力于打造代表国家参与全球科技竞争与合作的标志性战略平台。

Wei’e Mountain Science Valley, located in the core area of Dongguan–Shenzhen science and technology collaboration zone, serves as a strategic platform hosting major

national-level scientific and technological infrastructure, national laboratories, and leading research institutions. The area is home to over 8,000 mu of Guangning red-flowered camellias (Camellia semiserrata), which were planted over 70 years ago. It is the largest and oldest artificially cultivated forest of this species in China, and also a unique and rare botanical resource in Dongguan. Building on its outstanding ecological foundation and benchmarked against the highest international standards, the Valley deepens Dongguan – Shenzhen science and technology collaboration, prioritizes a scientist-friendly environment, and aims to become a landmark strategic platform through which China can engage in global scientific and technological competition and cooperation.

最美科学径，是巍峨山科学谷联动全域科技、生态资源的标志性绿道。绿道串联松山湖科学城、光明科学城、罗田森林公园、大朗镇、黄江镇等重点板块，实现松山湖与光明两座科学城空间无界、交通互联、自然共生。

The Most Beautiful Science Trail is a landmark greenway that integrates the scientific, technological, and ecological resources of the entire Valley. Connecting key areas such as Songshan Lake Science City, Guangming Science City, Luotian Forest Park, Dalang Town, and Huangjiang Town, it enables the two science cities to achieve seamless spatial integration, interconnected transport, and harmonious coexistence with nature.

本次竞赛旨在集思广益，征集具有前瞻性、创新性、可实施性的概念设计方案。

This Competition aims to gather a wide range of ideas and solicit forward-looking, innovative, and feasible conceptual design proposals.

Note: The timetable above is applied in Beijing Time. The organizers reserve the right to amend the agenda.

1.6 组织形式 Organization Process

1.6.1 **资格预审：**公开发布竞赛公告，公开征集设计机构（含联合体），组织

资格预审委员会对各设计机构提交的报名资料进行评审，每组从中择优选取 3 家设计机构发出《编制概念方案邀请函》（同时选出 1-2 家备选机构，如受邀机构退出则备选机构依序替补）。受邀机构须在 2026 年 12 月 28 日 12:00 前向组织机构发送《参与确认函》扫描件并寄出原件。

Pre-qualification: The registration announcement of the Competition will be published to solicit design teams (including consortiums). A pre-qualification committee will be set up to review the registration documents submitted by applicants, and 3 teams will be shortlisted to issue the *Invitation to Draft the Design Proposal* (at the same time, 1 or 2 alternatives will be selected; in case any invited team quits, they can take its place in order). These invited teams shall send the scanned copy of the *Confirmation Letter of Participation* to the organizers before 12:00, Dec. 28, 2026 and then mail the original copy to the organizers.

1.6.2 启动会（**踏勘答疑**）：组织受邀设计机构现场踏勘，并进行答疑。

Kick-off meeting (Site Visit and Q&A): A site visit will be organized for the invited firms and a Q&A session will be held.

1.6.3 **概念方案评审：**邀请建筑、景观和城市规划等专业的专家组建概念方案评审委员会，概念方案评审委员会在阅读设计文本、观看多媒体演示文件、听取设计机构主创设计师答疑和充分讨论后给出每组 3 个方案的推荐意见交由定标委员会定标。

Design review: Experts in areas of architecture, landscape and urban planning, etc., will be invited to constitute the design review committee. With a full discussion, the design review committee will select 3 recommended proposals from each group to the organizers for final selection, after reading the design brochures, watching multi-media demonstrations and listening to presentations and clarifications by principal designers.

1.6.4 **定标：**组建定标委员会结合专家评审意见定标，确定每组的优胜奖和入围奖。

Final review: A final review committee will be set up to determine the winner and finalists in each group based on the experts' review comments.

参赛者提交的设计成果经评定合格后可按奖项获得相应奖金费用，极端情况经评定委员会讨论确定优胜奖可空缺。

A shortlisted team will receive the appropriate prize money, which varies based on the award category, after their design deliverables are deemed eligible. However, in

extraordinary circumstances, the winner’s prize may be left vacant, as decided by the final review committee after discussion.

如概念方案评审委员会或组织机构在评定时提出要求，优胜设计团队应根据概念方案评审委员会评审意见和组织机构的要求，对自身方案进行必要的修改和完善。最终概念方案应通过主办单位或承办单位的验收。

If the design review committee or the organizers make any requests during the final review process, the winning design team must make the necessary revisions and improvements to their proposal, in accordance with the design review committee's review comments and the organizers’ requirements. The final concept design proposal must be approved by the host or organizer.

本次概念竞赛成果将作为后续实施建设的重要依据，优胜设计机构需参与后续方案深化成果确认工作（可线上或邮件参与）。

The outcomes of this concept design competition will provide a valuable foundation for subsequent implementation and construction. The winning design teams are required to participate in the subsequent process of confirming the finalized design schemes, which can be done online or via email.

1.7.4 费用的支付 Payment Terms

本次竞赛活动的奖金费用均以人民币支付，设计机构所获费用等产生的任何税金由设计机构自理。

All the prize money concerning this Competition will be paid in Renminbi, and taxes levied on the prize money will be borne by the design teams themselves.

设计机构以设计联合体名义参加本次竞赛活动的，组织机构只负责与设计联合体的牵头单位联系和结算。

For design teams applying as a consortium, the organizers will only be responsible for contacting and settling payment with the leading party.

国外设计机构若无法使用本机构帐户收取人民币的，需授权国内合法独立法

人代收款项。

Foreign firms shall authorize a domestic independent legal entity of the PRC to receive the payment on their behalf if they cannot receive Renminbi in their corporate account.

优胜奖金分两次支付，评定结果公告且签订协议后支付 50%，最终概念方案通过组织机构的验收后支付 50%。入围奖金评定结果公告后签订协议后一次性支付。

The prize money for the winning team will be paid in two installments: 50% will be paid once the final results have been announced and an agreement has been signed, with the remaining 50% being paid once the final design proposal has been approved by the organizers. The other shortlisted teams will receive their prize money in a single lump sum after the results are announced and an agreement is signed.

本次竞赛奖金费用将通过组织机构选定的组织服务单位支付。设计机构（含 D 组个人获奖者）收款前应提供合法有效的等额增值税专用发票，且税率不低于 6%，税率低于 6%的将扣除税费差额后支付。

The prize money for this Competition will be paid via the organizational service provider selected by the organizers. When applying for the prize money, design teams (including individual winners in Group D) must provide an equivalent valid VAT special invoice of the PRC with the tax rate not lower than 6%; if the tax rate is lower than 6%, the prize money will be paid after the tax difference has been deducted.

1.7.5 其他 Miscellaneous

所有参加本次竞赛活动的设计机构在本次活动期间所发生的所有差旅相关费用须自理。

All related expenses such as the travel expenses caused by this Competition shall be borne by the participants themselves.

本次竞赛活动的相关费用包含组织机构一次性买断设计成果版权（知识产权）

的费用。

The prize money concerning this Competition will include the fees of the organizers' one-off buyout of the copyright (IPR) of design deliverables.

2 报名要求 Registration Requirements

（1）本次竞赛采取公开报名的方式进行，允许联合体参加（含牵头单位联合体成员不超过 2 家），资质不限。每个设计机构可在 A（含 A1&A2&A3）、B、C、D（含 D1&D2） 4 组中选择的 1-3 组报名参加，组织机构通过资格预审每组择优选择 3 个入围设计机构，每家入围设计机构均需完成入选组的所有点位的概念方案设计工作并按时提交成果。

This is an open competition, and consortiums are accepted (with no more than 2 members including the leading member). No qualifications are required. Each design team may select 1 to 3 from the 4 groups - Group A (including A1, A2 and A3), Group B, Group C and Group D (including D1 and D2) - to register. The registration documents consist of **hard copies** and **corresponding electronic files (1 USB flash drive containing scanned copies of the stamped original and the editable Word or PDF files)**, and shall be mailed to the organizer before 15:00, December 21, 2026 (Add: Room 201, Main Building of the Innovation Science and Technology Park (Holdings Tower), Management Committee of Dongguan Songshan Lake Hi-Tech Industrial Development Zone, Dongguan City, Guangdong Province, PRC; addressee: Yin Guibin; tel: +86 15816802960).

5 资格预审结果 Pre-qualification Results

5.1 组织机构将于 2026 年 12 月 25 日前发布资格预审结果公告，并向入围的 3 家设计机构发出《编制概念方案邀请函》。

The organizers will announce the pre-qualification results on December 25, 2026, and issue the *Invitation to Draft the Design Proposal* to the shortlisted 3 design teams.

5.2 接受邀请的设计机构中途退出或最终放弃提交设计成果，组织机构有权在后续 10 年内拒绝该设计机构参加组织机构其他任何工程的投标，同时提请主管部门对该设计机构此次行为列入不良行为记录。

If the design team that accepted the invitation of this Competition quits in the middle or gives up the Competition finally, the organizers will have the right to reject their participation in any bidding event organized by the organizers for 10 years, and will report to the supervising department that this action of the design firm shall be put into misconduct records.

6 争议、保密及其他 Disputes, Confidentiality and Miscellaneous

6.1 争议 Disputes

本次竞赛相关文件、合同履行中若发生争议，双方应友好协商解决；协商不成时，任何一方均有权向组织机构所在地有管辖权的人民法院提起诉讼。

If there is any dispute regarding the documents of this Competition or arising from execution of the contract, the two parties shall solve the dispute through friendly negotiation. If negotiation fails, both parties have the right to lodge an appeal to the people's court having jurisdiction at the organizers' locality.

6.2 保密 Confidentiality

6.2.1 参加本次竞赛工作的专家评委、工作人员及相关人员，应对整个工作的过程、内容、组织及设计机构的有关情况予以保密，否则组织机构可依据相关法规追究责任。

All experts, staff and relevant personnel of this Competition shall keep secret the entire competition process, content, organization and information of the participants, or the organizers may prosecute responsibilities according to relevant laws.

6.2.2 评定结果公告前，任何人员或机构如未得到组织机构书面许可，不得以任何方式披露、公开或展示投标设计方案，设计机构提前公布设计方案的组织机构有权拒付设计机构应得的所有相关费用。

Before the announcement of the final review result, any person or institution is prohibited from disclosing, publicizing or displaying the submitted deliverables in any form before the organizers publicize them. If a participant discloses its deliverables in advance, the organizers have the right to refuse to pay any fees concerned.

6.2.3 本次竞赛过程中，组织机构向设计机构提供的非公开资料均需保密，设计机构不得转让或用于本项目以外的任何用途，否则组织机构可依据相关法规追究责任。

During the Competition, all non-public information provided by the organizers shall be kept secret, and the contents are prohibited from being transferred or used in any other way except for this project, or the organizers may prosecute responsibilities according to relevant laws.

6.3 其他 Miscellaneous

资格预审结果公示后，获得《编制概念方案邀请函》并提交《参与确认函》的设计机构（含联合体）其设计团队主要成员发生变化的，或以联合体形式参与的其联合体组成发生变化的，组织机构有权取消其参与本次竞赛的资格。

After the announcement of pre-qualification results, the organizers reserve the right to nullify the applicant's qualification in this Competition under the circumstances that there are changes of key design team members for the applicant (including consortium) who has received the *Invitation to Draft the Design Proposal* and submitted the *Confirmation Letter of Participation* or there are changes of consortium members for the applicant that participates as a consortium.

7 语言及计量单位 Language and Unit of Measurement

7.1 语言 Language

7.1.1 本次竞赛相关文件使用简体中文为正式语言；当中文与其他语言内容不一致时，以中文为准。设计团队需配备通晓中文的人员，非中文团队踏勘及汇报需自带翻译。

The official language of this Competition and its relevant documents is simplified Chinese. If there is any discrepancy between Chinese and other languages, the Chinese version will prevail. The design team must include fluent Chinese speakers ; non-Chinese-speaking teams must provide their own translators for the site visit and presentations.

7.1.2 设计机构与组织机构之间的往来电函和报名文件均应使用中文书写。设计机构提供的证明文件和印刷品可以使用另一种语言，但必须附以中文译本。**设计机构概念方案设计阶段提交的设计方案中，设计文本、展板必须使用中文或中英文对照形式；介绍视频须采用中文配音，中文或中英文对照字幕。**

Emails and documents about this Competition between the organizers and design teams shall be in Chinese. Documents such as certificates and hardcopies provided by design teams could be in other languages but shall come with a translated version in Chinese. **For the deliverables submitted by design teams during the conceptual design stage, the design brochures and presentation boards shall be in Chinese or bilingual in both Chinese and English; and the introduction video shall be dubbed in Mandarin and subtitled in Chinese or both English and Chinese.**

7.2 计量单位 Unit of Measurement

除工程设计规范中另有规定外，设计机构提交的文件均应使用中华人民共和国法定计量单位，即公制计量单位，如毫米、米、千米（公里）、平方米、公顷、平方公里等。

In addition to engineering design specifications, documents submitted by design teams shall use China’s legal units of measurement, namely the metric units of

measurement such as millimeters, meters, kilometers (km), square meters, hectares, square kilometers and so on.

8 知识产权和解释权 Copyrights & Interpretation

8.1 知识产权 Copyrights

8.1.1 设计机构应保证准备或提交的全部设计文件在中国境内或境外没有且不会侵犯任何其他人的知识产权（包括但不限于著作权、商标权、专利权）、专有技术或商业秘密。设计机构应保证，如果其提交的设计文件使用或包含任何其他人的知识产权、专有技术或商业秘密，设计机构需已经获得权利人的合法、有效、充分的授权。设计机构因侵犯他人知识产权所引起的全部赔偿责任应由设计机构承担。

Participants shall promise that all design deliverables prepared or submitted have not and will not get involved in any form of copyright infringement (including but not limited to intellectual property rights, trademark rights, and patent rights), proprietary technology or business secrets at home and abroad. Participants shall promise that if there is any content concerning copyright, proprietary technology or business secrets of others used or included in their deliverables, they must have been legally, validly and fully authorized by the legal owner. In case of infringement, the infringing party shall bear all consequences of infringement.

8.1.2 若设计机构提交的文件出现虚假、窃取或擅自修改他人成果为己用，组织机构有权取消其参与本次竞赛的资格。

If the deliverables submitted by participants are found to contain false information or to have been plagiarized or modified without authorization from the work of others , the organizers reserve the right to nullify their qualification in this Competition.

8.1.3 设计机构提交的文件在评审后不予退还。组织机构对领取奖金的设计机构提交的设计成果享有使用权且无需另行付费。组织机构有权根据本项目的实际需求就该设计方案进行部分使用、修改和采纳，组织机构有权使用方案中的合理要素。

All deliverables won't be returned after the reviews. Without any further payment, the organizers enjoy the right to use all the deliverables and design concepts of the participants who have been compensated. The organizers are entitled to partly use, revise and adopt the design proposals if needed, as well as to use the reasonable elements in every design proposal submitted.

8.1.4 组织机构有权公开、出版和展览本次竞赛所有设计成果文件且无需另行付费或授权，并通过传媒、专业杂志、专业书刊或其它形式介绍、展示及评价本次竞赛所有设计成果文件，设计机构对其提交的设计成果文件享有署名权。

The organizers are entitled to use, publish and display all deliverables submitted by design teams that participate in this Competition without any further payment, and to introduce, display and appraise them through media, professional magazines, books or other forms, while the authorship belongs to those participants.

8.2 解释权 Interpretation

本文件的解释权属于组织机构。

The right to interpret this document resides with the organizers.

Appendix 4: Agreement of Design Consortium

设计联合体协议书

Agreement of Design Consortium

（所有成员单位名称）自愿组成联合体共同参加**东莞巍峨山科学谷“最美科学径”建筑景观概念设计竞赛**（下称本项目）。现就联合体事宜订立如下协议，协议（包括但不限于）如下内容：

(Names of all members) are voluntary to form a consortium to participate in **the Architectural and Landscape Concept Design Competition for the “Most Beautiful Science Trail” at Dongguan Wei’e Mountain Science Valley** (hereinafter referred to as 'the Project'). And regarding this issue, we make an agreement here that will cover (but not limited to) the following terms:

1、（牵头单位名称）为本项目的联合体牵头单位。

(The leading member’s name) is the leading member of the consortium of this project.

2、联合体牵头单位合法代表联合体各成员负责本项目文件编制和合同谈判活动，并代表联合体提交和接收相关的资料、信息及指示，并处理与之有关的一切事物，负责合同实施、组织和协调工作。

The leading member of the consortium legally represents each consortium member to prepare the documents for the project, represents the consortium to submit and receive relevant data, information and instructions, and handle all matters relating thereto, and is responsible for the contract implementation, organization and coordination.

3、设计联合体授权设计联合体牵头单位对设计联合体各成员的资质等级、业务能力、工作业绩等资料进行统一汇总后由设计联合体牵头单位代表人一并提交给组织机构，设计联合体牵头单位代表人所提交的资质等级、业务能力、工作业绩等资料代表了设计联合体各成员的真实情况。

All the joint members authorize the leading member to gather and process all the

documents of the joint members such as the company qualification, ability performance proofs and other data, and submit to the organizers. The submittals of the representative of the leading member represent the actual circumstances of the joint members.

4、具体报名和成果提交工作由设计联合体牵头单位代表人负责；设计联合体牵头单位代表人合法代表设计联合体各成员提交并签署本次竞赛相关文件；设计联合体牵头单位代表人在本次竞赛相关文件中的所有承诺均代表了设计联合体各成员。

The leading member of the consortium will be responsible for the registration and submission of deliverables. And the legal representative of the leading member will represent all the joint members, and be responsible for the signature and submission of deliverables. And all the commitment of the representative of the leading member is on behalf of the whole consortium.

5、设计联合体中标后，设计联合体成员共同与业主签定合同书，切实执行一切合同文件，签署的合同协议书对设计联合体每一成员均具法律约束力。

After winning the bid, the members should jointly sign the contract with the organizers, and carry out all the contract terms. This agreement signed by each member is legally binding.

6、设计联合体中标后，设计联合体牵头单位代表人合法代表设计联合体各成员提交和接收相关的资料、信息及指示，并处理与之有关的一切事务。

After winning the bid, the legal representative of the leading member will represent all the joint members, and be responsible for submitting and receiving all related data, information and instructions and handling all the affairs related.

7、设计联合体成员在本项目合作中密切配合、尽职尽责，双方优质高效地完成各自负责的工作内容。

The members shall closely cooperate and fully take responsibility for the quality and efficiency of the Project.

8、联合体将严格按照本次竞赛相关文件的各项要求，递交相关文件，履行合同。联合体牵头单位承担本次竞赛履约中应承担的全部法律责任与义务，其他联合体成员单位分别对各方承担的设计工作承担相应责任。

The consortium shall submit the relevant documents in strict accordance with the requirements set in relevant documents of this Competition, and earnestly implement all the contract documents. The leading member of the consortium will bear all legal responsibilities and obligations concerning the Competition and contract fulfillment, while the other member(s) will bear corresponding responsibilities for the design content undertaken.

9、联合体各成员单位内部的职责分工如下：

The internal division of responsibilities of each member of the consortium is as follows:

(1) 联合体牵头单位_____承担_____工作；

The leading member_____ will undertake the work of _____ in the consortium;

(2) 联合体成员_____承担_____工作。

The member_____ will undertake the work of _____ in the consortium.

10、本协议书自签署之日起生效，未中标或者中标后合同履行完毕后自动失效。

The agreement takes effect from the signing date, and will automatically become invalid if the consortium doesn't win the bid or upon performance of the relevant responsibilities and obligations after the consortium wins the bid.

11、本协议书一式_____份，联合体成员和组织机构各执一份。
